The program will prepare you to be able to deal from the simplest to the most challenging cases.

### TESTIMONIALS

"I really enjoyed the hands-on veneer course by Dr. Ed Phillips. it was by far one of the best veneer courses I have taken. The knowledge and the practical skills and techniques I acquired at this course have given me the confidence to take on cases that I would have been hesitant to do in the past. This course gave me insights into treatment planning, case selection, patient communication, smile design and lab planning. Thank you Dr. Phillips for your valuable guidance and unique teaching strategies." - **Dr. Leyla Emami**
