MEMBERSHIP RENEWAL 2026

Dear Member,

We extend our sincere gratitude to all past members and prospective participants of the Dental Technology Academy for your continued support. Our Zoom-style presentations have been a resounding success, and we are truly appreciative of the invaluable support we have received from our sponsors.

Our members continue to value the flexibility of the virtual format and have shown a strong preference for online webinars. Therefore, in 2026, we will continue to offer virtual classes and utilize this opportunity to feature distinguished speakers from around the world.
