Dear Member,

We extend our heartfelt thanks to all past members and prospective participants of the Spectrum Denturist Academy for their support. Our Zoom-style presentations continue to be a great success, and we are truly grateful for the invaluable contributions of our sponsors.

Our members continue to value the flexibility of the virtual format and prefer online webinars. Therefore, in 2026 we will continue offering virtual classes, taking this opportunity to welcome acclaimed speakers from around the world.

In 2025, we were pleased to welcome many provincial associations— such as the Denturist Association of Ontario, Manitoba, Alberta, and the New Brunswick Denturists Society— that purchased memberships in bulk, allowing them to provide their members with affordable CE opportunities. We also continued to offer recorded lectures on demand, ensuring members could access valuable content at their convenience.

SDA members will once again have the opportunity to participate in 4 Toronto Implant Academy seminars. The joint membership between TIA and SDA has proven highly successful, fostering valuable collaboration by allowing denturists to take part in TIA courses and dentists to benefit from SDA courses.

TIA is a clinical academy that provides its members with the opportunity to engage with experts in implants, implant aesthetics, business management, digital workflow, and AI. SDA will offer 5 days of virtual lectures, while TIA will feature 8 half-day sessions. Additionally, we will develop a comprehensive library of presentations, allowing members to review the lectures at their convenience.

We invite you to become a member, with annual membership starting at just \$399. Below, you will find the additional benefits included with your SDA membership.
