THE DENTAL TECHNOLOGY ACADEMY- HYBRID MODEL MEMBERSHIP RENEWAL 2024

Dear Member,

Warmest greetings to you. We are grateful for the success of our 2023 program which we owe to your incredible support, and our prestigious lecturers.

Every year we thrive to improve our presentations and we hope that you enjoyed your experience in 2023 and that you gained the knowledge you sought while being able to collect your CE points.

Following our 2022 and 2023 programs we ran a survey amongst our members and learned that the majority of our attendees enjoy the freedom of the virtual world and prefer online webinars to offline seminars. Hence, in 2024 we shall proceed with our virtual classes and utilize this opportunity to invite acclaimed speakers from all around the world.

In 2024, DTA members will have the choice, once again to participate in some(4) or all of the TIA (Toronto Implant Academy) courses. The joint membership between TIA and DTA has proven extremely beneficial as dentists can attend the DTA courses and technicians can participate in TIA courses.

TIA is a clinical academy which gives its members the opportunity to engage with and learn from experts in implants and implant aesthetics as well as business, management, and digital workflow. In 2024 DTA will provide 4 days (12 lectures) while TIA will feature 10 half-day courses with up to 20 speakers. Members will also be provided with a virtual library containing all presentations that may be reviewed anywhere, anytime.

Dental Technology Academy Member Benefits:

- 4 days of DTA courses plus bonus DTA day (12 presentations) and up to 10 days of half-day TIA courses with CE credits
- Certificate of attendance after each course
- 10% on other courses offered by PMG
- 10% on website design development or updates
- 10% discount on print or digital books sold by PMG
- Up to 10% discount on graphic design and printing needs
- Up to 10% discount on video production, photography
- Discounted magazine subscription

We are once more honored to have had you as a participating member of DTA and we hope you benefited from the ever-growing quality of the DTA program. And we are looking forward to a rewarding year ahead. Thank you.

Sincerely,

Ettore Palmeri, MBA, AGDM, B. Ed, BA
President, Palmeri Media Group
