Dr. Scott Parker - Utah

Since 1998, Dr. Parker has educated thousands of clinicians across the US and internationally. He is an accredited member of the American Society for Dental Aesthetics and the American Academy of Cosmetic Dentistry, a member of the Education Committee of the Academy of Laser Dentistry and has a comprehensive understanding of dental lasers, aesthetics, implants, and functional reconstruction. He is a recognized subject matter expert in the laser treatment of airway disorders including non-invasive treatments for snoring.

Dr. Phill Tzemis - Toronto

Dr. Tzemis is a past Clinical Instructor at the University of Toronto Faculty of Dentistry, past President of the Toronto Academy of Cosmetic Dentistry (2012-2014) and a Clinical Director for the Frontier Institute (formerly the California Center for Advanced Dental Studies). Through his extensive training at the Pacific Training Institute for Facial Aesthetics & Therapeutics, the Pankey Continuum, the University of Toronto's Faculty of Dentistry Implant program and the Frontier Institute, Dr. Tzemis has developed a diverse skill-set in the field of facial rejuvenation and cosmetic dentistry and is a Clinical Instructor with PTIFAT, mentoring facial rejuvenation, including botulinum toxin and dermal fillers.

Enoch Ng DDS, PhD - Edmonton

Dr. Enoch Ng completed his Doctor of Dental Surgery at the University of Minnesota and a General Practice Residency at the Newark Beth Israel Medical Center. He received his PhD in Medical Sciences focused in dental sleep medicine and Graduate Certificate in Pain Management from the University of Alberta. Dr. Ng continues to lead research in pediatric and adult sleep breathing disorders, and maintains a family dentistry clinic at Enjoy Dental in Edmonton Alberta.
